SUSTAINABLE DEVELOPMENT AND INTERNATIONAL ECONOMIC COOPERATION: IMPLEMENTATION OF THE PROGRAMME OF ACTION FOR THE LEAST DEVELOPED COUNTRIES FOR THE 1990s

Draft resolution submitted by the Vice-Chairman of the Committee, Mr. Hans-Peter Glanzer (Austria), on the basis of informal consultations held on draft resolution A/C.2/52/L.12

Implementation of the Programme of Action for the Least Developed Countries for the 1990s

The General Assembly,

Recalling its resolution 45/206 of 21 December 1990 in which it endorsed the Programme of Action for the Least Developed Countries for the 1990s[1] and its resolution 48/171 of 21 December 1993, in which it decided to convene a high-level intergovernmental meeting to conduct a mid-term global review,

Recalling also its resolution 50/103 of 20 December 1995, in which it recalled that at the end of the decade, a global review and appraisal of the implementation of the Programme of Action would be carried out, in accordance with paragraph 140 of the Programme of Action and paragraph 7 (c) of its resolution 45/206,

Taking note of The Least Developed Countries: Report, 1997, prepared by the United Nations Conference on Trade and Development,[2] and of the report of

the Secretary-General on implementation of the Programme of Action,[1] which highlights the main developmental difficulties the least developed countries continue to face,

Also taking note, with appreciation, of the significant policy reform efforts undertaken by the least developed countries, which in many cases have been wide ranging and difficult to implement; that these efforts should be pursued further; and that structural adjustment poses real challenges and resource issues for these countries; and in this context, encourages the international community to support these further reform efforts by the least developed countries including helping to minimize any social cost of adjustments,

Noting with concern the reduced flow of development resources to the least developed countries, the resulting need to accord them priority in the allocation of concessional resources and their continued marginalization in world trade, as well as the facts that many least developed countries face serious debt problems and more than half are considered debt-distressed,

Taking note of the outcome of the Trade and Development Board at its forty-fourth session on the item relating to the annual review of progress in the implementation of the Programme of Action, including its agreed conclusions and its recommendation to the General Assembly to consider at its fifty-second session the convening of a third United Nations conference on the least developed countries, its preparatory process, and the designation of the United Nations Conference on Trade and Development as the focal point for the preparation of the Conference,

1. Decides:

(a) To convene the Third United Nations Conference on the Least Developed Countries at a high level in the year 2001. The mandate of the Conference will be the following:

(i) To assess the results of the Programme of Action during the 1990s at the country level;

(ii) To review implementation of international support measures, particularly in the areas of official development assistance, debt, investment and trade;

(iii) To consider the formulation and adoption of appropriate national and international policies and measures for sustainable development of the least developed countries and their progressive integration into the world economy;

(b) To convene an intergovernmental preparatory committee in due time to prepare for the Conference. That meeting would be preceded by three expert-

level preparatory meetings, two in Africa, one of which would include the Americas, and one in Asia and the Pacific. These preparatory activities should be carried out within the budget level proposed by the Secretary-General for the biennium 1998-1999;

2. Decides also that the United Nations Conference on Trade and Development will be the focal point for the preparation of the Conference;

3. Requests the Secretary-General of the United Nations Conference on Trade and Development to include in future issues of the annual report on the least developed countries substantive contributions to the Conference and its preparatory process;

4. Decides to include in the provisional agenda of its fifty-third session an item entitled "Implementation of the Programme of Action for the Least Developed Countries for the 1990s" and to consider, inter alia, the date, duration and venue of the Conference, its preparatory process and the funding for participation of representatives from each least developed country, both at the preparatory committee meeting and at the Conference itself, from extrabudgetary resources;

5. Requests the Secretary-General to submit to it at its fifty-third session a report on issues relevant to this item.
